(Designation) President, Taluk Board, Karkal, S.Kanara

To The Secretary to the Government of Madras,
Local Self-Government (Public) (Health) Department.
Through The District Medical Officer, South Kanara.

Sir,

During the absence of the permanent Sub Assistant Surgeon attached to the L.F.Dispensary, Moodbidri on leave, the acting subordinate who was new to the rules regarding the purchase of drugs etc., required for L.F.Dispensaries and Hospitals purchased from the local market the following articles he thought necessary for the efficient running of the Dispensary. He did not obtain sanction either from me or the District Medical Officer before he purchased them.

I asked his explanation for the local -- purchase and he has submitted it through the District Medical

Medical Officer who has recommended payment of the value of the durgs. It amounts to Rs17-14-0. I have herewith -- enclosed a copy of the explanation of the acting Sub Assistant Surgeon with the endorsement of the District Medical Officer.

If the amount in question is not paid from the Board's funds the subordinate who was in-charge of the -- Dispensary for a period of/4 months will have to meet it about which will be a great hardship to him from his own pocket (~~xxxxxxxxx~~) seeing that he had purchased and made use of the drugs for the L.F.Dispensary.

Hence I request that the Government may be -- pleased to sanction payment of the amount of Rs17-14-0 from Board's funds and condone the irregularity committed by the Acting Sub Assistant Surgeon.

Sir,

While resubmitting the contingent bill upto date of my handing over charge to Dr. J.S Nayak, I begto state in ref. to your Ref.C.No.675/KTB/32 and give the following explanations to the queries put forth.

(1) Since there was no stock of the important drugs as Ferrous Sulph, quinine or Cinchona and since it is clear that the above drugs are quite essential at least during the malarial season as can be evidenced from the statistics of the malarial patients treated, I, out of good faith and in the interest of the public attending the dispensary and the popularity of the institution, got the above drugs by local purchase, not knowing that such a thing was prohibited by rules. Further, when I requested the Assistant Surgeon in charge of the L.F.Hospital,Karkal, by -- writing, to send some Ferrous Sulph for loan, no reply was received. I therefore request that the President may be favourably disposed to take a lenient view of the matter and grant the amount spent for the same.
